FOR BUSINESS

• OUTDOOR DINING • SEATING GROUPS • UMB

An inviting, well designed and comfortable outdoor dining area can expand your seating capacity and attract business, while extending the interior mood of your establishment to the great outdoors. Seasonal Concepts can help you create the perfect outdoor environment for memorable dining experiences that will keep your customers (and their friends) coming back for more!

Since 1962, quality, style and a commitment to extraordinary and innovative service have made Seasonal Concepts a leader in the outdoor living industry. Providing well-crafted, durable and beautifully designed outdoor essentials for your restaurant, hotel, or other outdoor venue is our specialty.

Not only are our outdoor solutions the very highest quality; our products are customizable with a large selection of fabric options and a varied finish palette to add style and texture. Our talented design staff can provide on-site consultation to help you create a distinctive look that will blur the lines between your indoor and outdoor seating areas. Whether you prefer cast aluminum or cast iron, wicker or wood, our experts can assist you in choosing the right combination of materials and finishes to best complement your outdoor room.

Once you select the furniture that fits the functional needs and aesthetic mood of your space, Seasonal Concepts provides professional delivery and set-up, along with ongoing service after the sale. Our "Worry Free Winter" program will help you protect your investment by providing optional storage during winter months. If off-site storage isn't an option, furniture covers are available for purchase.

Whatever your alfresco dining area needs, Seasonal Concepts has the perfect outdoor solution.

The quality, comfort, and style of your outdoor furnishings and accessories make a statement about your establishment. Incorporating colorful umbrellas, distinctive seating and stunning outdoor features like fire pits, fountains or pergolas can attract attention and draw clientele into the unique outdoor world you have created.

Whether you are seeking pool-side lounge chairs or outdoor seating arrangements to provide comfort and luxury for your clients, Seasonal Concepts has the products you need. Our diverse furniture offering allows you to choose from wrought iron, cast aluminum, wrought aluminum, all weather wicker and more, along with a wide array of finishes and fabrics.

Pergolas are another striking feature that can add grace, style and comfort to your outdoor environment. These attractive overhead structures can help extend usable space, create a shady retreat and provide a major architectural design element for your outdoor room.

Other essential accessories to consider include fire pits, heaters and commercial grade umbrellas. Umbrellas add color and interest along with the comfort of shade. Our umbrellas can be imprinted with your company logo or a design of your choosing.

Once you have selected the primary features of your outdoor area, Seasonal Concepts can provide other unique and appropriate accessories. Incorporating stylish beverage coolers, beautiful fountains and garden statuary, discreet planters and artificial trees will add the finishing touches to your extraordinary outdoor space.

With Seasonal Concepts, the possibilities are endless!

HEATERS • FIREPITS • OUTDOOR FIREPLACES •

The creative use of outdoor fire features in your landscape can add ambiance and allure along with comfort and warmth. A unique outdoor fireplace, fire pit or heater can comfortably extend the use of your outdoor space into additional seasons; all while igniting memories and casting a warm glow over your guests.

Seasonal Concepts offers a number of creative fire features that transcend the traditional fireplace.

Our design consultants can help you select a fire pit or feature to suit any outdoor décor in materials that include cast iron, copper, granite or steel. Powered by electricity, propane or natural gas, our commercial-grade fire features and heaters will prolong the usability of your outdoor areas when the weather cools.

A fire feature from Seasonal Concepts will kindle a focal point of beauty and conversation that glows for years to come!

• ARTIFICIAL TREES • DESIGNER WREATHS • HOLIDAY DECOR

When it's time to "deck the halls" of your restaurant, hotel or business, let Seasonal Concepts be your one-stop source for all your holiday décor needs. Our selection of artificial Christmas trees and wreaths is the largest in the area, and we will also deliver and assemble trees at your request.

The holidays are a time to adorn your establishment with all that is festive and beautiful. Seasonal Concepts offers the largest and most unique selection of artificial Christmas trees and designer wreaths in the area. Our trees are pre-lit with clear or colored lights and range in size from 6.5 feet to 18 feet tall. Designers are on hand to custom order or create wreaths, holiday arrangements and bows according to customer specifications. Our wreaths can be ordered with or without lights, and range in size from 24" to 72" wide.

For hassle-free holiday décor installation, inquire about our "Traveling Elves" program. Our "Traveling Elves" can assemble artificial Christmas trees, professionally install Christmas lights, and decorate your entire establishment. When the holidays are over, our "Traveling Elves" can take the trees down, pack them away, and provide optional storage until needed again.

Call for an estimate of our "Traveling Elves" services, and make plans for a stress-free holiday now. Let Seasonal Concepts supply and install the exquisite holiday décor your establishment and clientele deserve!

WORRY-FREE WINTER

Once you've furnished your outdoor areas, protect your investment by enrolling in Seasonal Concepts' "Worry Free Winter" storage program. While all of our outdoor products are made for durability, you can add years to the life of your furniture by storing it indoors during inclement weather.

When the weather dictates a move indoors, our "Worry Free Winter" storage program will simplify your transition. At your request, our professional staff will move your outdoor furnishings into our dry, indoor, secure facility for safekeeping throughout the winter

months. Your furniture is not only protected from the elements at our facility, it will also undergo a thorough cleaning and be returned to you in like-new condition. When you are ready to open up your outdoor area, a phone call is all it takes to schedule a return delivery and installation.

Our "Worry Free Winter" program gives you the ease and peace of mind that comes with knowing your investment is receiving the care and protection it deserves.
